“We know that natural light, well-designed rooms and common areas can make a tangible difference in the recovery of patients, allowing them to return to the community and their normal lives more quickly.”

---

rooms. Both hotels provide access to the complex’s wide range of amenities, including downtown’s only casino, five restaurants and lounges, a 30,000 square foot park located six-floors above street level, a world-class spa, a modern fitness studio, and much more. The project also includes over 60,000 square feet of well-appointed meeting and event spaces, including Vancouver’s largest hotel ballroom.

Elsewhere in British Columbia, EllisDon has also been conducting Phase 1 of the Brentwood Town Centre Redevelopment, one of the largest projects of its kind in North America.
