

Valued at roughly \$317 million, Brentwood Town Centre is a high profile, mixed-use, and transit-oriented redevelopment located in north Burnaby, BC. The project involves the renovation of an existing 4000,000 square foot mall into a 1,200,000 square foot mall, as well as the creation of six levels of underground parking. In the future, the redevelopment will contain premium retail shops accompanied by world-
